

## **Margit Martinson**

Margit Martinson is the **Deputy Secretary General** at the Ministry of the Environment of the Republic of Estonia. She coordinates information security management, development and maintenance of environmental databases, development and implementation of state assets and land policy for the administrative area of the Ministry of the Environment. She is responsible for the Ministry's state assets management and administrative services.

She is the member of European Environmental Agency Board and member of the Supervisory Board of State Forest Management Centre and Ida-Viru County Industrial Areas Development Foundation.

She has a Bachelor's degree in technical sciences from Tallinn University of Technology. She took up duties in the Ministry of the Environment in 2007 and has worked as a specialist of the Strategy Bureau of the Development Department, later as a Chief Specialist of the Analysis and Planning Department and Acting Head of the Analysis and Planning Department. Prior to being employed at the Ministry of the Environment, she was a consultant-project manager in the food industry.
