**Subject:** Request for clarification of the terms of reference

**Question No 1**

I am writing to you to request for a clarification in regards to the above-mentioned Framework Partnership Agreement for the European Topic Centre on Climate change Mitigation and energy (2019-2021). I would like to know if it is possible for a consortium to respond only to one work package?

**EEA's reply**

No, it is not possible to only apply for one work package. For further guidance on the organization and structure of a European Topic Centre, please refer to section 4 of the terms of reference.
