**Denmark-Copenhagen: Framework Service Contract for the Provision of
Map and Chart Production Services for the European Environment Agency
2021/S 191-493211**

Contract award notice

Results of the procurement procedure

Services

Legal Basis:

Regulation (EU, Euratom) No 2018/1046

Section I: Contracting authority

I.1) **Name and addresses**

Official name: European Environment Agency (EEA)

Postal address: Kongens Nytorv 6

Town: Copenhagen

NUTS code: DK011 Byen København

Postal code: 1050 K

Country: Denmark

E-mail: procurement@eea.europa.eu

Internet address(es):

Main address: <https://www.eea.europa.eu>

Address of the buyer profile: <https://www.eea.europa.eu/about-us/tenders>

I.4) **Type of the contracting authority**

European institution/agency or international organisation

I.5) **Main activity**

Environment

Section II: Object

II.1) **Scope of the procurement**

II.1.1) **Title:**

Framework Service Contract for the Provision of Map and Chart Production Services for the European Environment Agency

Reference number: EEA/COM/21/002

II.1.2) **Main CPV code**

72000000 IT services: consulting, software development, Internet and support

II.1.3) **Type of contract**

Services

II.1.4) **Short description:**

The purpose of this call for tender is to establish a framework service contract with one service provider or a group of service providers (consortium) who will provide to the EEA consultancy services relating to map and chart production for digital and print products.

II.1.6) **Information about lots**

This contract is divided into lots: no

II.1.7) **Total value of the procurement (excluding VAT)**

Value excluding VAT: 1 500 000.00 EUR

II.2) **Description**

II.2.3) **Place of performance**

NUTS code: DK011 Byen København

Main site or place of performance:

Services will be performed either at the contractor's premises (extra-mural) or at the EEA in Copenhagen (intra-mural) depending on the requirements of the specific job.

II.2.4) **Description of the procurement:**

The EEA makes successful use of maps and charts to communicate specific environmental messages based on the analysis of data. Such maps and charts can be dynamic, for use in digital products and online or static for use in printed products, or on occasion in digital products and online. The contractor will be responsible for working with environmental data on a variety of themes to produce interactive or static maps and charts for use in digital and online products that are easy to understand and which convey a clear message to the user.

II.2.5) **Award criteria**

Quality criterion - Name: Technical approach and methodology: tenders will be evaluated in terms of their overall technical approach and methodology in relation to the provision of map and chart production services. This will be documented in a short description (max. 5 A4 pages) highlighting the proposed methodology to provide the required services in an efficient and timely manner. This will describe: – the steps involved in a typical map and/or chart production job; – the turnaround time from receipt of a brief to delivery of the final map and the final chart; – how the tenderer will use an agile task management system to do the work described in section I.3), and the software and applications to be employed when performing the services (i.e. the Adobe suite, ArcGIS Pro and ArcMap). Tenders will also be evaluated in terms of their overall quality, completeness and presentation (maximum 5 points) / Weighting: 40

Quality criterion - Name: Management approach in terms of organisation, flexibility and quality assurance: tenderers shall provide a short description (max. 4 A4 pages) of the way in which the provision of the services will be organised. This will include – contract management and coordination of the work, including responsiveness and interaction with the EEA; – flexibility in terms of availability and adequacy of the resources for the timely completion of the contractual tasks, including ability to deal with bottlenecks; – the measures employed to ensure the quality of the services, indicating the quality checks carried out on each map and chart before it is sent to the EEA / Weighting: 30

Price - Weighting: 30

II.2.11) **Information about options**

Options: no

II.2.13) **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14) **Additional information**

Section IV: Procedure
