Environment

The contracting authority is purchasing on behalf of other contracting authorities No

SECTION II: OBJECT OF THE CONTRACT

II.1) DESCRIPTION

II.1.1) Title attributed to the contract

Framework service contract for the provision of IT consultancy services in the field of geospatial free and open source software to the European Environment Agency.

II.1.2) Type of contract and location of works, place of delivery or of performance

Services

Service category: No 7

Main place of performance The work will be carried out either at the premises of the contractor (extramural) or at the European Environment Agency (EEA) in Copenhagen (intramural) depending on the requirements of the specific contract.

II.1.3) The notice involves

The conclusion of a framework agreement

II.1.4) Short description of the contract or purchase(s)

In order to further develop its internal spatial data infrastructure (SDI), the European Environment Agency is making use of various geospatial free and open source software such as GeoNetwork for the metadata

catalogue and GRASS, GDAL, Postgresql/Postgis for QC-related tasks. Expert support is needed to implement and/or customise some of these pieces of software (mainly GeoNetwork) in order to meet EEA's needs. The purpose of this call for tenders is to establish a framework contract with a company who can provide IT services to the EEA by providing mainly senior consultant services in the field of geospatial free and open source software. Junior consultants may be required for related tasks.

II.1.5) **Common procurement vocabulary (CPV)**

72000000, 72200000

II.1.6) **Contract covered by the Government Procurement Agreement (GPA)**

No
