Clarification No 4

Reference: Open call for tenders No EEA/OSE/14/004

Title: Framework service contracts for the provision of IT consultancy services to the EEA and the European Commission (DG ENV and DG CLIMA) – 6 lots

Question 1

With reference to section 11.3.1 of the tender specifications (Award criteria, Technical merit), Lot 6, Award criterion No 1, (a) and (b), page 16 of 20, with the reference to “an existing website” do you mean the current EEA website (<http://www.eea.europa.eu/>) and should we treat this website as a reference in our replies to these questions?

Answer 1

In the context of lot 6, the reference to “an existing website” in the award criterion No 1 (a) and (b) for technical merit is meant to be generic and does not per se refer to the EEA current website but to any website that the EEA owns.
