

## **Anne-Louise Fregerslev Christensen**

Anne-Louise Fregerslev Christensen is a Policy Advisor in the Office for EU and International Affairs at the Ministry of Environment and Gender Equality. She serves as the ministry's point of contact for the European Environment Agency (EEA) and EEA Management Board Alternate. Within the ministry, Anne-Louise acts as the liaison between the Office for EU and International Affairs and the Offices for Chemicals and Law, supporting policy analysis, coordination, and political communication.

She holds an M.Sc. in Political Science (Cand.scient.pol.) from the University of Copenhagen. In 2024, she assumed the role of Policy Advisor for Chemicals and Law at the Ministry of Environment. Prior to this, Anne-Louise served as Policy Advisor for Justice & Home Affairs and Environment from 2020 to 2022, and subsequently as Special Advisor for Water at the Embassy of Denmark in the United States from 2022 to 2024.
