Throughout my studies, I specialised in American Literature and regional studies. I have basic psychological education.

September 2005 - June 2008 Bratislava, Slovakia

COMENIUS UNIVERSITY, BRATISLAVA

POLITICAL SCIENCE

Geopolitics, global conflicts, challenges and threats.

PROFESSIONAL EXPERIENCE:

January 2025 – presence, Bratislava Slovakia

SLOVAK ENVIRONMENT AGENCY

Director of Directorate of Environmental Sciences and International Cooperation

In this role, I am responsible for strategic coordination of environmental research and scientific analysis, as well as for developing and managing international cooperation in the field of environmental policy and sustainability. My duties include overseeing expert analytical work, representing the Agency in international and inter-institutional frameworks, and ensuring effective cooperation with national authorities, international partners and research institutions. My contribution is in policy-development and evidence-based decision-making in the environmental sector, with a strong focus on cross-border collaboration and alignment with international standards.
